HOLIDAY GIFTS

Sale

The gift of a book honors both the giver and the receiver. Here is a splendid opportunity to prepare for the gift season at a very substantial saving. Books are marked with a C for cloth and a P for a quality paperback. The cloth books are particularly suited for gifts and we draw your attention to the two Pictorial Histories—of the Jews and the Negro—as a fine gift for bar mitzvahs or for the holidays. With each order we will give you free two pamphlets: Return to Cuba by Herbert Mathews and one other.

In the sale on the third page, you will find some enormous bargains where books which cost as much as four dollars may be bought for as little as 50¢. Please Note: At such low prices, we must set a minimum order of \$3.00. BUT on orders of \$25 or more you may deduct an additional 20%.

Just published and widely acclaimed: **HARLEM STIRS** Cloth (C-63) \$4.75, Special \$3.50; Paper (P-63) \$2.50, Special \$2.00

Harlem Stirs

Clearly written, handsomely printed, profusely and beautifully illustrated, this book deserves a place of honor in every Jewish home."—**HADASSAH MAGAZINE**, June 1966

The scholars' praise for this sumptuous book with more than 100,000 words and 400 illustrations and photographs is matched by that of newspapers across the country. They hail *A PICTORIAL HISTORY OF THE JEWS IN THE UNITED STATES* as a must for every Jewish home that wishes to teach its children their history in America from 1654 to 1965. Here are a few comments from state after state—Oklahoma, Minnesota, New Jersey, Pennsylvania, Michigan:

"The author and publishers have done something unusual. They have presented a book which is as appealing to a twelve-year-old student as it is to a sixty year old man—a fine readable volume which sells at the affordable price of \$7.50 for the library of any Jewish home."—*Tulsa Jewish Review*

"Confirmations as well as adults will find inspiration in this vivid account in appealing literary style with treasured pictures of three centuries of accomplishments in this country."
—*Philadelphia Jewish Times*

"Mr. Schappes has diligently compiled the record. He has aimed at thoroughness and accuracy . . . When he deals with the social problems, with the labor movement, with the role Jews play in many activities against racism and bigotry, he is at his best."—*The Detroit Jewish News*

"As told by Schappes, the story of the American Jew is told with sufficient clarity, emphasized by brevity, to give the reader a full view. The effort to secure unusual illustrations certainly adds to the merits of this history."
—*The Jewish Standard* (Jersey City, N.J.)
